

BLUE HAVEN MARINA IN TURKS AND CAICOS OFFICIALLY OPENS

JUNE 5, 2013 – Providenciales, Turks and Caicos Islands – IGY Marinas proudly announces the official opening of Blue Haven Resort & Marina, located on the leeward side of the island of Providenciales. With a draft restriction of 8 feet (at mean low tide), the marina caters to yachts up to 220 feet with no beam limitations. As part of the Blue Haven Resort, marina guests have access to a wide selection of amenities the resort and marina have to offer including a 34-condominium hotel with an infinity pool, private beach and gym.

The marina also offers its guests the use of a conference room with complimentary WIFI, showers, work stations, a volley ball and horse shoe court, and is also located only minutes away from Provo Golf Course, one of the leading golf courses in the Caribbean. Surrounded by the 3rd largest barrier reef in the world, Turks and Caicos offers water sports enthusiasts some of the best diving and fishing grounds in the region. Blue Haven Marina is located on the northeastern tip of Providenciales providing easy access to bottom and flats fishing, diving and day-tripping to uninhabited cays.

As the ideal summer getaway, Blue Haven Resort & Marina is just 575 nautical miles from Florida and is perfectly positioned as the gateway to the Caribbean. Customized itineraries for both on and off shore activities are created upon request, together with the resort and marina concierge. SALT, a brand new crew bar and grill at the marina has recently opened, and an elegant dining experience, is set to welcome diners later this year at the resort.

The marina is currently running The IGY Million Dollar Sportfish Challenge, where vying anglers compete to break the IGFA all-tackle world record, fishing the island's Atlantic waters from May through October 2013 for Wahoo, Dolphin fish and Atlantic Blue Marlin.
