WELCOME

RESORT & MARINA

32 Star Island Road, P.O. Box 5048
Montauk, NY 11954

Welcome!

On behalf of the management and staff at Montauk Yacht Club, I would like to welcome you to Montauk. Whether this is your first visit to our beautiful island or you have made us your home in the past, we hope that the information contained in this package will make your arrival and stay a memorable one.

Montauk Yacht Club, located at the tip of Long Island's South Fork, plays host to an impressive array of sport and pleasure boats, as well as mega yachts. Known for its rich history, quaint fishing villages and quiet bays, eastern Long Island offers something for everyone.

If there is anything that I or the IGY team can do to make your stay at Montauk Yacht Club a more memorable experience, please don't hesitate to ask! We are here to ensure that you have an enjoyable stay in Montauk and the Hamptons.

Sincerely,
Lloyd Van Horn
General Manager

Advance reservations are strongly recommended at Montauk Yacht Club and we cannot guarantee available berthing for guests arriving without one. We also ask that you provide advance notice, when feasible, of your approximate arrival time so that we can be fully prepared for your arrival and minimize any inconvenience to you.

Upon arrival at the marina, you will be met at your slip by our dock attendants to guide you in and assist you with docking. Once you are comfortably settled into your slip, we ask that you visit our marina office to check-in. Our office staff will quickly register you with the marina and answer any questions that you have about Montauk Yacht Club, including to assist in arranging your entertainment and activities in the Village of Montauk.

Check-in time is at 12:00 pm eastern, and check-out is at 11:00 am eastern.

ARRIVAL & DEPARTURE PROCEDURES

Montauk Yacht Club is located on New York's Long Island therefore, upon arrival, you will be subject to United States immigration and customs rules, with regulation imposed by United States federal authorities. If you are arriving from a non-United States location, or if you have a non-US flag or have foreign crew or guests, and the marina is your first port of call in the United States, then you are required to clear immigration and customs into the United States with the Department of Customs and Border Protection.

IMMIGRATION AND CUSTOMS PROCEDURES

When arriving by boat, please adhere to the following procedures:

- The vessel master must immediately proceed to a port of entry office.
- No crew or passengers may disembark before being properly cleared.
- You will require the following documents:
 - Vessel registration documents
 - Your clearance documentation from the last port of call
 - Copy of passenger and crew list (form 418)
 - Passports of all crew and guests
 - A copy of the ship's registry
 - Vessel Entrance or Clearance Statement on CPB Form 1300, (see sample at end of document)
- Those reaching the port of entry after closing hours are required to raise a quarantine flag and report in the next morning.
- If you are arriving from another United States domestic location (including the mainland United States, the US Virgin Islands or Puerto Rico), and have a US flag and crew, no special immigration procedures are required.
- Additionally, all commercial vessels with any passenger or cargo for hire must file an electronic notification with the United States Coast Guard's National Vessel Movement Center in West Virginia (www.nvmc.uscg.gov) under the

Advance Notification of Arrival Regulations prior to arrival in the United States Virgin Islands. Under these regulations (as in effect on December 1, 2009) notice must be made according to the following time scale:

Length of Voyage	Notice Period
96 hours or longer	96 hours prior to arrival
24-96 hours	24 hours prior to arrival
Less than 24 hours and vessel of over 300 tons	24 hours prior to arrival
Less than 24 hours and vessel of less than 300 tons	The length of the voyage

- Notice can be made through www.nvmc.uscg.gov. Please note that the notice period does not commence until the vessel has received acknowledgement from the Movement Center that the notification has been officially received.

PET POLICY

Customs & Immigration require the following for entry of pets:

- Pets must be free of evidence of diseases communicable to humans when possibly examined at the port of entry.
- Valid rabies vaccination certificate, including an expiration date usually up to 3 years from the actual vaccine date and a veterinarian's signature. If no expiration date is specified on the certificate, then the certificate is acceptable if the date of the vaccination is not more than 12 months before the date of arrival. The certificate must show that the dog had the rabies vaccine at least 30 days prior to entry.

Pets are allowed at Montauk Yacht Club Resort & Marina, but must always be on a leash. There is a dog walk area for our guests and we request that waste be picked up and disposed of in a receptacle. Only dogs less than 25 pounds are allowed in the hotel.

Please note that port of entry offices operate by appointment only. Feel free to contact our marina office at least 48 hours prior to your arrival and we would be pleased to make necessary appointments for you.

LEAVING THE US: IMMIGRATION AND CUSTOMS PROCEDURES

All vessels must file a notice of departure 24 hours before leaving. A vessel may file a notification of departure at the same time as arrival. If departure time changes more than six hours from initial notification, an update must be filed.

In order to clear out of the US, you will need the following:

- 1300 Form
- Passenger and crew list
- I-94 for all foreign guests and crew

CHECKING OUT OF MONTAUK YACHT CLUB RESORT & MARINA

Our office staff is dedicated to making your departure experience from Montauk Yacht Club fast and hassle-free. Please visit the marina office on the day of your departure to obtain your account balance and pay before leaving. Although this statement can be generated while you wait, it will be most efficient for you if you provide us with advance notice of the time of your departure so that the account can be prepared.

We happily accept American Express, Master Card, Visa and Discover for payment of bills, as well as cash and personal checks. Our office hours are 8:00 am – 8:00 pm, seven days a week during the high season.

CUSTOMER FEEDBACK

IGY is committed to providing superior customer service and we welcome all feedback. Please find printed surveys in the marina office, or visit our website at www.igymarinas.com and click on the feedback forum.

FUEL, OIL, AND LUBRICANT ORDERING AND DELIVERY

Please note that all fuel, oil, and lubricant orders must be made through the marina office. Delivery of any of the above products that have not been ordered through the marina office will not be allowed on the property. Please call the marina office for any orders or questions regarding the above. Please also feel free to contact the marina office if you have questions regarding these matters.

ENVIRONMENTAL AWARENESS

IGY and Montauk Yacht Club are fully committed to preserving the beautiful environment that attracts our guests to Montauk and the Hamptons. We ask that you help us to ensure that our land and waters remain clean and safe. We have adopted some marina regulations activities and hope that you will agree to help us preserve the environment for future boaters.

- We have garbage receptacles strategically located around the marina property and the docks. Please use these receptacles for your trash and please do not dispose of any (including food waste and other organic matter) into the water.
- We ask that you not undertake any work in the marina, which could cause the release of pollutants into the environment. For this reason, sanding, painting and similar activities should be done in a controlled area and generally, should not be undertaken in the marina.
- Discharge of septic systems, fuel, toxic cleaning agents, and other pollutants into the water in the marina is a violation of both our marina rules and US law. It is strictly prohibited.
- ALL used oil, black water, and grey water removal must be done through the marina office in order to ensure safe and environmentally friendly removal and disposal. Please contact the marina office to schedule waste oil, black or grey water removal, and for the most up-to-date pricing.
- Because the improper delivery of fuel, oil and lubricants also can cause pollution, delivery of any of the above products that have not been ordered through the marina office will not be allowed on the property.

We would be most appreciative if you would immediately contact the marina office if you see any violations of these rules.
