**THE 2010 SUMMER** has seen a bevy of social activity at the Montauk Yacht Club. Memorial Day kicked off the season with a bang and was a sold-out success. The weekend was highlighted by our backyard BBQs, poolside shindigs, beach front soirees, the Chuck E band performing and a DJ Saturday and Sunday nights at the Barracuda Bar. The Clambake, hosted by Hamptons Magazine, featured about 500 of the Hamptons' hip and happening crowd including actor Kyle McLaughlin and TV personality Star Jones.

So far this summer, we've hosted marina and hotel guests from all over the world including film crews

from Bravo, Logo, ABC, Plum TV and NBC, and as always, we enjoyed our local friends and neighbors.

August and September are loaded with charter fishing groups and marina rendezvous as well as weddings booked for every weekend. The end of July brings the Montauk Village Association's annual fundraiser, the Greenery Scenery Cocktail Party and the annual, four-day Redbone Fishing Tournament is scheduled for September 24, 2010. Former Real Housewife of New York turned New York Times Best-selling author Bethenny Frankel, will be returning to her home away from home - the Montauk Yacht Club - to host another Skinnygirl Margarita party at the Barracuda Bar, July 31.
