MYC SUNSHINE BAILOUT

At the Montauk Yacht Club, we know that the perfect stay in The Hamptons is filled with sunshine, family fun and outdoor adventures... And although we can't control the weather, we are willing to take a little responsibility in guaranteeing that your stay is never washed away. Introducing the MYC Sunshine Bailout promotion – if during any day of a guest's stay the weather is deemed as "rained out," the Resort will award those guests with a free night certificate good towards a future visit to the property.*

*The MYC Sunshine Bailout promotion is good for one certificate per room, per stay. A rain out is determined by six hours of rain during the daytime hours of one day, based upon management discretion. Return certificate can only be redeemed from June 1 – November 1, 2009, based upon availability and blackout. Promotion is only applicable to transient stays. Certain restrictions apply. MYC Resorts LLC reserves the right to withdraw this offer at anytime or amend the terms and conditions applicable without prior notice.
