an IGY marina

BLACKBEARD'S CASTLE

This majestic structure was at one time a Danish military tower. As you tour the grounds you can take a swim in one of the three swimming pools or enjoy the world's largest collection of life-sized pirate sculptures. For more information visit [Blackbeard's Castle site](#).

MAGIC ICE

Take a break from the warm sand to experience the ice and snow sculptures of the Magic Ice gallery. See an ice installation that includes a lighthouse or enjoy a drink at the bar that looks like a shipwreck. Amazement for the entire family. For more information visit the [Magic Ice site](#).

ST. THOMAS SYNAGOGUE

The oldest synagogue in continuous use under the American Flag and the second oldest synagogue in the western hemisphere was built in 1833. Although restored in 2000 there are still many elements from the original structure. There is a museum located in the back showing the history of the synagogue and some of its members.
