ENTRY RULES IN EFFECT FROM AUGUST 1, 2021

Yachters arriving in St. Lucia will be classed into two categories: **vaccinated** or **unvaccinated** yachters.

Rules for VACCINATED yachters:

1. **ALL** arriving yachters above the age of five (5) are required to submit a negative Covid-19 PCR test result. The PCR test must be taken within 5 days or less before arrival into Saint Lucia.
2. **NO QUARANTINE** for yachters above the age of eighteen (18) who have taken their prescribed dose/doses of AstraZeneca, Pfizer, Moderna, Johnson & Johnson Janssen, or Sinopharm. An individual is considered fully vaccinated fourteen (14) days after receiving their **final vaccine dose**.
3. Unvaccinated yachters from the age of 5 to 17, accompanying fully vaccinated adult visitors, will be required to complete a PCR test on arrival if they wish to bypass the 14-day quarantine:
 - The cost of the test will be borne by the yachters.
 - Test results will be received in 48 hours.
 - Once the test is returned negative, these minors will be afforded the same access as their fully vaccinated adult companions.

Children 4 years and under are afforded the same privileges as their vaccinated parents.
