

5-day Itinerary

Day 1: Begin your adventure by sailing over the forest on a zipline from the top of Puerto Jimenez Mountain. Then do some rappelling down waterfalls. Take a break to eat some lunch then slow it down a little to hike through the rainforest enjoying the nature around you. Finish the day by returning to the marina and having dinner at La Playa.

Day 2: Take a full day charter fishing trip to try and hook the next world record sport fish. Take the opportunity to catch Marlin, Sailfish, Dorado, Wahoo, Roosterfish or so much more. Head back to the marina and relax at the beach bar, Paka Paka.

Day 3: Head over to Caño Island where the coral reefs are home to a variety of marina flora and fauna including sea turtles, dolphins, manta rays, whales, and sharks. Spend the day diving or snorkeling and discovering one of the best diving spots in the world.

Day 4: Visit Corcovado National Park where a tour guide can help you explore this natural reserve that is the home to a large population of endangered species like jaguars, tapirs, ocelots and scarlet macaws.

Day 5: Spend the day touring the amazing city of Golfito. Learn about the history of how the town started as a huge banana port and see the pre-Colombian spheres and how it has evolved into a beautiful place for tourism.
