October 21, 2021 – Sardinia, Italy – Island Global Yachting (IGY Marinas), the world's only global superyacht marina company, and Transport S.A.S., a leading Sardinian business conglomerate, have acquired the long-term concession rights to Marina di Portisco. The marina, re-branded IGY Portisco Marina, is located in the popular cruising waters of Sardinia's northeast coast, boasting 589 berths with 41 superyacht berths and the ability to accommodate vessels up to 90 meters (295').

"Each new IGY marina addition is carefully selected to bring the highest value to our global yachting clients. We are absolutely delighted to further promote Italy as a leading yachting destination through the addition of Marina di Portisco to the IGY portfolio," says Kenny Jones, IGY's EVP of Operations. "Aligned with IGY's continued global growth strategy, our comprehensive services and uniquely packaged dockage products make all aspects of global yachting easier and more efficient for the owner and the amazing people in the superyacht industry."
