Casco Bay Islands – 6 Islands accessible by ferry along the coast of Portland that you can explore and experience many different activities. You can visit one island or take a ferry to all 6 but some of the activities include Peaks Island where you can visit Civil War museums and memorials, Hog Island includes Fort Gorges built in 1858, or Chebeague Island to play 9 holes of golf.

Portland Museum of Art – View works from Monet and Andy Warhol. The museum displays 18,000 pieces from paintings to photographs, sculptures, pottery and furniture. The museum website boasts that it would take 10 years of constant gallery rotations to see everything in the museum.

Cape Elizabeth – Home to many lighthouses, it features Maine's oldest lighthouse that was commissioned by George Washington and the Two Light Lighthouse made famous from Edward Hopper's painting in New York.

Old Port – As you walk along cobblestone streets and historic buildings, enjoy amazing restaurants, art galleries, and boutiques to entertain you. Wander along the wharf and see the vessels coming in with their daily catch or hop on ferry or cruise to explore the coast from the water.
