

# LOCAL ATTRACTIONS

**North Cove Marina starts the excitement of Manhattan. From shopping and dining steps way to sailing adventures and incredible monuments, explore the amazing New York City.**

## **ELLIS ISLAND STATUE OF LIBERTY**

Take the Ferry over to where over 12 million immigrants entered the United States and travel up to the crown of the Statue of Liberty.

## **ONE WORLD OBSERVATORY**

Positioned on top of the tallest building in the Western Hemisphere, on levels 100, 101, and 102 of the 1,776-foot-tall One World Trade Center building, One World Observatory™ provides unique, panoramic views of New York City, its most iconic sites, and surrounding waters. From the observatory you can see Manhattan, Brooklyn and Queens.

## **BROOKFIELD PLACE**

Spend the day shopping and dining. Take a cooking class at the institute of Culinary Education where you can learn the techniques of professional chefs with the best culinary knowledge. Enjoy year-round activities and events from art exhibits to performances. Brookfield Place also offers summer fitness programs and a skating rink in winter featuring Olympic skaters.

## **NORTH COVE SAILING**

Located in the heart of Manhattan is North Cove sailing school, club and community center. The facilities offer a variety of adult, children, family and corporate sailing experiences form excursions and lessons to races and events.
