

## 3-Day Itinerary

**Day 1** - Start at the Picasso Museum admiring the works of the famous painter in the town where he was born and enjoy the café at the museum. Then explore the Calle Molina Lario, the beautiful cathedral in the town center. Wander over to the Plaza Poeta Alfonso Canales and watch the sunset in the rooftop pool and bar while enjoying some amazing cocktails.

**Day 2** - One of the most interesting spots to visit includes the Alcazaba, the Roman Theatre and Gibralfaro Castle. This area may take you most of the day to explore with structures dating back thousands of years. Wander over to Café Central Málaga that has been serving coffee since 1910. Then a moment to reflect on your day at the Arabic Baths where you can enjoy a wonderful spa experience. This relaxing adventure will get you ready to explore and try some tapas around the city.

**Day 3** - Discover the beaches of Málaga where you can snack on espastos and catch some rays. You can spend the day having drinks and enjoying the food of the bars and restaurants that line the beaches. After you have relaxed on the beach all day you can spend the evening and night in one of Málaga's great clubs or discos.
