

IGY VIEUX - PORT DE CANNES

LOCAL ATTRACTIONS

This beautiful city in the French Riviera is the home to many attractions rich in French heritage.

Musée de la Castre – If you follow the path up the top of Le Suquet, you will reach the Musée de la Castre, a building that once housed Lérins monks, but is now home to artifacts from all over the world. You can also walk up the tower and enjoy panoramic views of the Bay of Cannes.

Fort Royal – On one of the Lérins Islands, Sainte-Marguerite this fort once housed the “Man in the Iron Mask” and offers a museum where you can view maritime artifacts.

Villa Rothschild – Gorgeous palace and gardens built in 1881 and then donated to the Académie des Betaux-Arts. This immense estate is open to the public to view the gardens, art collections, and now serves the public as a library.

Marché Forville – the oldest market in Cannes, local produce, seafood, flowers and other delectable fare that would make great additions to any picnic or culinary outing.
