

3 Day Itinerary

Day 1: Start your trip off at Benugo for a quick bite to eat before heading over to the Tower of London where you can see the crown jewels, takes tours of the grounds and view the castle armory in action. You can spend the day exploring and learning about the history. Head back to the marina to dine at one of its many waterfront restaurants.

Day 2: Right in the marina area enjoy White Mulberries for some coffee and cakes. Find your way to The Monument to climb the 311 steps to see the city from above and to learn the history of The Great Fire in 1666. Take in a bite at one of the restaurants in the area as you head over to the Sky Garden. The Sky Garden is London's highest public garden. After taking in the views of the city you can dine at Fenchurch and experience an award-winning dining menu.

Day 3: Stop and get a quick breakfast before venturing a little further from the marina taking in Westminster Abbey, Buckingham Palace, the Churchill War Rooms, and Big Ben. Along this path there are plenty of places to have lunch. You can also see the Horse Guard Parade, view the home of the British Prime Minister at #10 Downing Street and the Parliament Building then head back to the marina for dinner at Ping Pong.
