## **Saudi Yacht**

The 6 To-Dos for registering a Saudi yacht and obtaining permits through EBHAR platform are as below:

### **Step 1: Temporary Registration**

The first step enables you to start registering and managing the yacht temporarily.

### **Step 2: Apply for Navigational License**

The second step is to apply for a Navigational License on EBHAR platform. This service provides the issuance and renewal of the navigation license for a Saudi yacht to allow it to sail within the territorial waters of KSA.

### **Step 3: Issuance of Wireless License**

This service enables the issuance and renewal of the yacht's remote communication device (wireless) license.

### **Step 4: Arrival Notice**

This step enables the owner of the yacht to submit a notice of arrival and fill in the necessary disclosures through EBHAR platform.

### **Step 5: Sailing Permit**

Finally, sailing permit can be applied from EBHAR platform, which enables the issuance of a sailing permit for yacht trips in the territorial waters of KSA.

### **Step 6: Marina Berth or Mooring Buoy booking**

Finally, owner of the yacht must book a marina berth at Sindalah or book a mooring buoy located in the vicinity of Sindalah island.
