## MBG+ Is Marina Bahia Golfito's New Concierge Service

Designed to Maximize Enjoyment of the Costa Rica Experience

**15 May 2024, Golfito, Costa Rica:** Marina Bahia Golfito (MBG)—a leading Costa Rica superyacht, sportfishing and eco-tourism haven—announces MBG+ Service. Designed for maximum enjoyment of the Costa Rica experience for those who come to visit, stay, and live whether by land, sea, or air, MBG+ coordinates and manages all visitor needs. Concurrently, Marina Bahia Golfito announces the appointment of new employee, Lorelai Hocker, as lead concierge.

With a background in tourism and bilingual in Spanish and English, Miss Hocker brings diverse skills to her new role at MBG including gastronomy, customer service, project management and administration. Lorelai is highly skilled in the impeccable comportment essential for exceptional hospitality services.

### Concierge for Superyachts, Sportfishers, Eco-Visitors, and More

Providing an exceptional level of communications—the key to incomparable white glove service—MBG+ sets new standards through its concierge program with its decidedly Costa Rican approach. From travel arrangements to eco-tours (including horseback riding, whale watching, night hikes in the rainforest, and more), check-in to five-star customer service, paperwork and dockage agreements to usual and unusual requests, MBG+ enhances visitors' expectations of what a visit to Costa Rica is all about.

—continues—

As Marina Bahia Golfito continues its sustainable development—including a new marina village, real estate expansion and educational programming for visitors and locals alike—MBG+ is tailor-made to provide premium assistance with an extra level of care and attention to the smallest details.

MBG+ Service extends to inquiries regarding available real estate: villas, condominiums, and an Autograph Collection® boutique luxe hotel. To learn more about available real estate and to sign up for a Discovery Tour Package, learn more at [LiveGolfito.com](https://www.LiveGolfito.com).

#### About Marina Bahia Golfito

Located in one of the most vibrant destinations in Costa Rica, Golfito Bay is a “gulf within a gulf”, a pristine landscape framed by the lush mangroves of Corcovado and Piedras Blancas National Parks and home to some of the richest biodiversity in the world. It is here that yachtsmen, big game anglers, eco-adventurers, boaters, surfers, and outdoor lovers of all ages and interests reconnect with nature through an array of exhilarating adventures and activities.

This lush spot in the Central American Pacific Rim offers the necessary amenities starting with berths of 40 to 350 feet in length. In addition, AMAKA Ocean Living Lodge (oceanfront hotel), La Playa Restaurant, and the MBG Crew Lounge offer worldclass services for those visiting on land and those who arrive by sea.

Marina Bahia Golfito is a property of Costa Rican hospitality company, Enjoy Group, and a part of IGY's global network.
